

ONE UNIFIED VOICE

How your League works with you to make the movement stronger

Representing credit unions with \$68 billion in assets and 6.8 million members, the League of Southeastern Credit Unions & Affiliates (LSCU) is the trade association for Alabama and Florida credit unions.

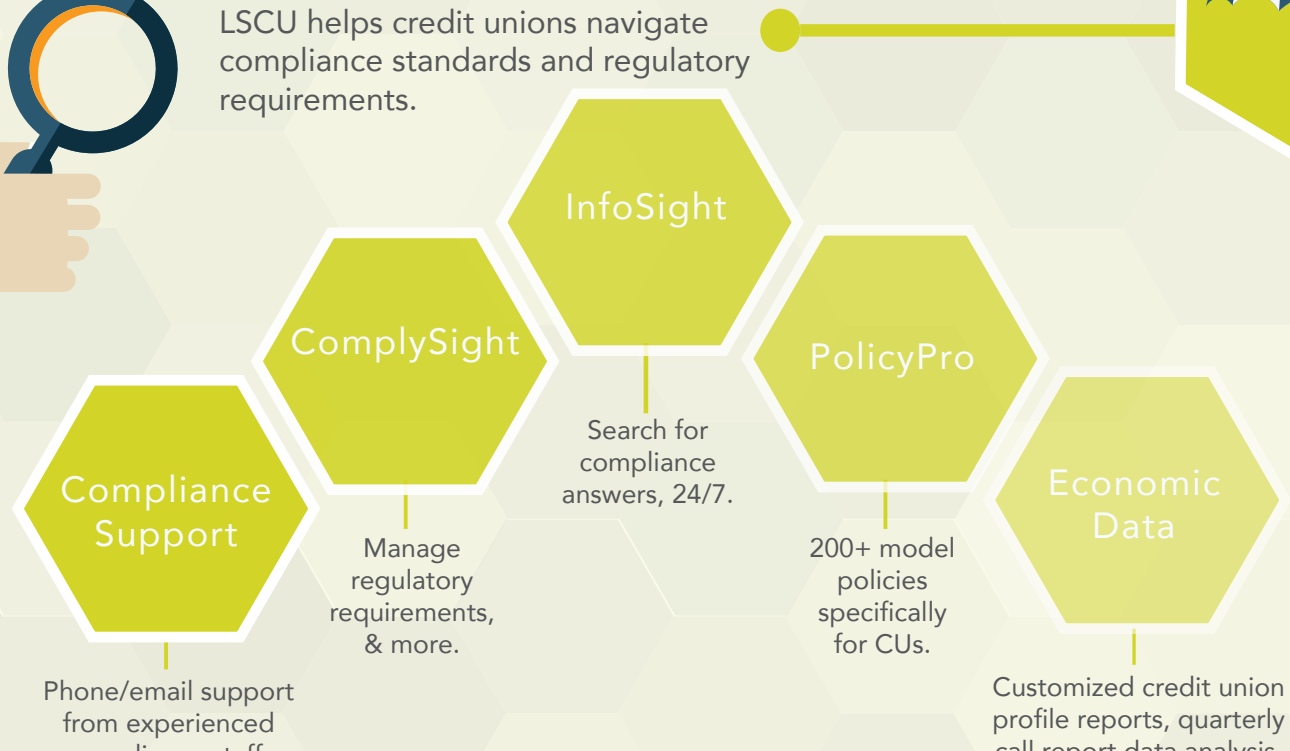

ADVOCACY

The ever-changing political landscape of financial institutions demands consistent legislative and regulatory advocacy.

COMPLIANCE

LSCU helps credit unions navigate compliance standards and regulatory requirements.

EDUCATION

LSCU provides a solid resource for credit union training and development needs, providing staff and volunteers the tools they need to perform in their positions more effectively and efficiently.

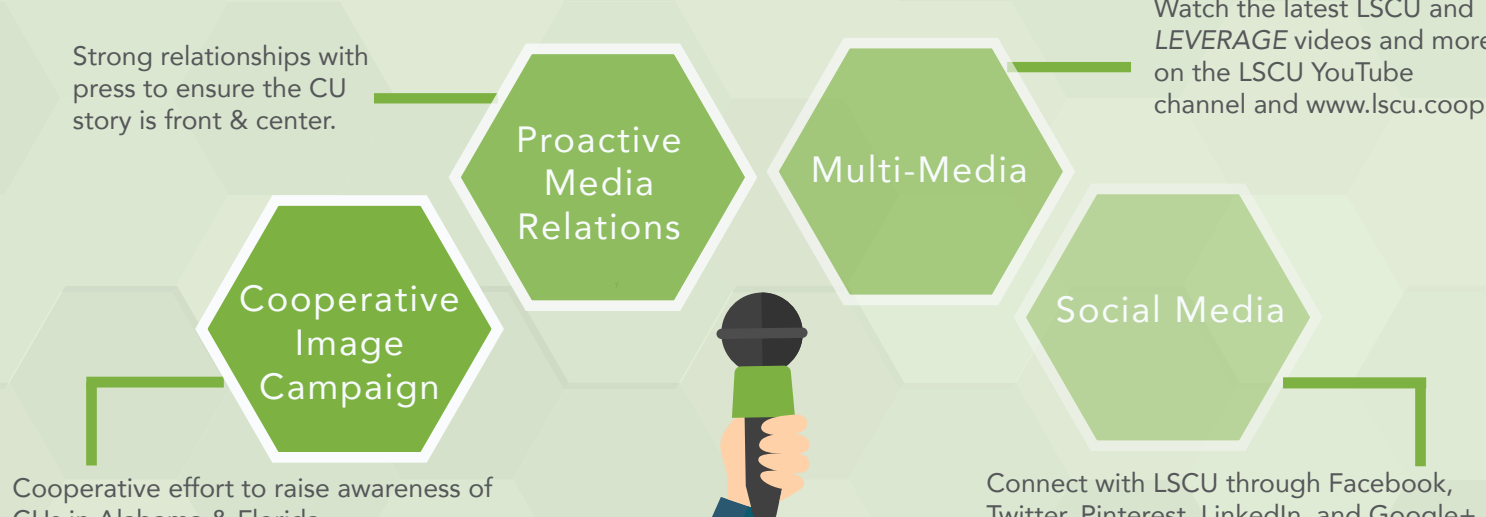

COOPERATIVE INITIATIVES

LSCU is a catalyst for cooperative activities to help credit unions be leaders in their communities, differentiating themselves from other financial institutions.

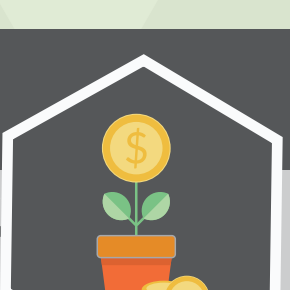

COMMUNICATIONS

LSCU wants to be your first source for information through a number of communication channels. By disseminating breaking news and information in a timely manner through eSignal Daily, Facebook, Twitter, and the League website, LSCU provides you the most up-to-date industry information.

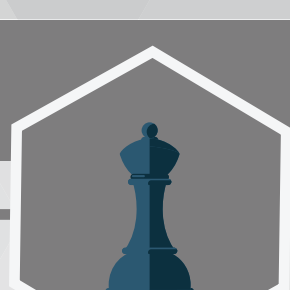

FOUNDATION

The Southeastern Credit Union Foundation is a non-profit organization dedicated to progressive professional development of credit union staff and volunteers, financial education programs for youth and adults, and creating valuable resources for our members and the communities they serve.

CAREERS

LSCU helps credit unions connect with potential job applicants through the CU Job center.
