VYFI, LLC

Alan W. Ropes 1659 Achieva Way, STE 102 Dunedin, FL 34698 Phone: 727-293-4689 aropes@vyfi.com www.vyfi.com

Our CUSO specializes in assisting and guiding Credit Union clients through the performance of audits, assessments, and examinations. We focus on the identification of cyber threats and in meeting regulatory governance, information security, and compliance requirements as mandated by NCUA, state regulators and the Federal Reserve. Services are tailored specifically to individual credit union needs and are offered as bundled packages or à la carte. As a CUSO, all profits remain within the credit union family.

Indirect Lending For The Next Frontier

For over 23 years, CUAC has been THE choice for innovative and dynamic indirect solutions. CUAC is a Credit Union owned CUSO that provides a true menu-based approach to indirect lending, which allows credit unions to choose products and services that fit their exact needs.

Indirect lending can be a minefield if not done correctly. Rely on CUAC's vast experience and expertise to help you navigate the indirect lending landscape. The industry is rapidly changing and credit unions must harness current technology to keep up with their members' lending needs. CUAC allows its lenders to plug into industry-leading technology to ensure adequate representation at the point of sale.

CUSTOMIZATION

Many providers claim they are "custom", but are they? CUAC provides credit unions the ability to choose from a truly a-la-carte approach. Credit unions can take advantage of the services needed to complement their program, while performing the tasks they choose. Services include dealer representation, underwriting (standard or after-hours), loan processing, funding and ACH. Choose an indirect solution provider that gives you everything you need, and nothing you don't.

TECHNOLOGY

To remain competitive in today's indirect world, credit unions must take advantage of industry-leading technology; this includes Dealertrack and RouteOne application platforms, eContracting, Digital Document Solutions and real-time data analytics. CUAC allows credit unions to take advantage of all the current technology while ensuring that they are positioned for whatever is next.

COST EFFECTIVE

CUAC provides the ability for credit unions to utilize all the latest technology and take advantage of a vast array of services with little to no up-front investment. Do you want your members to benefit from cutting-edge technology at a fraction of the cost? Please give us a call today.

DATA DRIVEN

In today's world, data is the key for managing loan productivity and profitability. Instead of relying on clunky LOS reports, take advantage of CUAC's PowerBI real-time dashboard solution. The CUAC solution provides instant access to rates, paper quality, pipeline trends and querying tools to create custom data sets.
