

2021 FINANCIAL FITNE\$\$ TOURNAMENT

Tight purse strings, wallet crunches, savings reps...we're looking for the financially fittest youth brains out there to compete in our FINANCIAL FITNE\$\$ tournament! Read through the following and email us if you're interested in competing for prizes!

Who can join our FINANCIAL FITNE\$\$ team?

High school students from our communities may compete individually or as a team.

What's in it for you?

A better understanding of financial education that is sure to set you up for future financial success. PLUS, we offer really amazing prizes to all participants and the winner!

How does it work?

We are currently recruiting our players and/or team. Once organized, we will email all participants a study link and guidelines for the competition to prepare. You will then be given a series of dates of which you should complete the online competition games and submit for scoring. Following this competition, the winner for our credit union will advance to our chapter final!

When is the tournament?

Our credit union's timeline is as follows:

- : Recruitment
- : Materials provided to participants.
- : All games must be completed and submitted for scoring during these dates.
- : The winner will be announced and advance to the Chapter Final.
- : Chapter Final Tournament
